Important Insurance Information

Insuring the property

It is a condition of the mortgage that the property is insured for its full reinstatement value. If the property is leasehold, responsibility for insuring the building may rest with the freeholder and you should check who is responsible for arranging the buildings insurance before putting this in place.

Please indicate who is responsible for insuring the property: You , Freeholder , Housing Association , Other (please specify) -

If you are responsible for insuring the property, the Society can arrange buildings and/or contents insurance for you through our chosen partner, Aviva Insurance Limited.

If you require further assistance or more information regarding buildings or contents insurance, please speak to your mortgage advisor or contact Aviva on 0345 030 7028.

If you are making your own Insurance arrangements please tick here If you prefer to make your own arrangements for insurance of the building, we will require a copy of the policy schedule with the Society's interest noted.

**Joint Applications**

If you are making a joint application or tell us that you have a spouse or partner, we and credit reference agencies will link information held about you with records relating to those with whom you are or have been financially linked or associated. For the purposes of this application you may be treated as financially linked or associated and your application will be assessed with reference to any 'associated' records.

By stating a financial association with another party, you are declaring that you are entitled to disclose information about your joint applicant and/or anyone else referred to by you and you authorise us to search, link, and/or record information at credit reference agencies about you and/or anyone else referred to by you.

An 'association' between joint applicants and/or any individual identified as your financial partner will be created and credit reference agencies will link your financial records. You and anyone else with whom you have a link should understand that each other's financial information will be taken into account in all future applications by either or both of you. This link will continue until one of you successfully files a 'disassociation' at the credit reference agency/ies.

Credit Reference Agencies

In considering your mortgage application, we will carry out a credit search at credit reference agencies who will supply us with information regarding your finances, including information from the Electoral Register.

We reserve the right to repeat this search should we deem it necessary during your mortgage application. The agencies will record this search whether or not this application proceeds. Information which is provided to us and/or the credit reference agencies about you and those with whom you are linked financially, may be used by us and other companies if credit decisions are made about you, or other members of your household.

If you do not repay in full and on time, we may also tell the agencies who will record this on your credit file.

Fraud Prevention Agencies

Mortgage Declaration

1. I/We agree to become bound and abide by the Rules of the Society.
2. I/We declare that I am/we are aged 18 or over and that the information given by me/us is true to the best of my/our knowledge and belief and shall form the basis of the loan agreement between the Society and myself/ourselves. If any such information is incorrect I/we will make good any loss the Society may suffer by acting in reliance on that information.
3. I/we understand and agree that the Society will consult at least one database to determine whether I/we can afford the proposed mortgage. In order for the Society to properly assess whether I/we can afford the proposed mortgage I/we understand that I/we will be asked to provide certain information and evidence during the mortgage application process. I/we understand and agree that I/we must ensure that all of the information and evidence that I/we supply is accurate and complete. If the Society is unable to carry out an assessment of whether I/we can afford the mortgage because I/we have chosen not to provide the information and evidence it has requested, then the Society will be unable to provide me/us with any proposed mortgage.
4. I/We agree that the Society will not be obliged to make an offer of advance and will not be obliged to return any fees if the property or references are unsatisfactory. I/We agree that the payment of fees will not bind the Society to grant any advance. I/We acknowledge that the Society is not required to justify declined applications.
5. The valuer's report is only for the use of the Society to enable it to decide whether the property is suitable security for any advance made and does not imply that the price paid is reasonable, nor that the property is constructed of sound materials. I/We agree that the valuer's report is not a structural survey and that if a structural survey is required it must be obtained independently at my/our expense.
6. I/We agree that the Society may at any time in its discretion and without obtaining my/our consent or the consent of anyone else, transfer to any other person all or any of its rights and obligations in relation to all or any part of the whole debt, the mortgage and any related security. I/We acknowledge that any such transfer will be on the basis that the person to whom the transfer is made will agree with the Society in advance a policy for the exercise of the transferred rights which the Society reasonably thinks is no less favourable to me/us than the policy it was following immediately before the transfer. I/We acknowledge that such a transferee may or may not be a building society or a company associated with a building society. I/We acknowledge that I/we will be bound to any such transferee in respect of the transferred obligations to the same extent as I/we were originally bound to the Society and I/we agree that the Society may release to any such transferee any information it holds about me/us, the conduct of my/our account and any related securities.
7. I/We irrevocably authorise my/our solicitor/licensed conveyancer to send their entire file relating to the whole transaction (not just the loan) to the Society at the Society's request.
