### Glossary of Terms

Arrears	Leeds BS identifies a loan as being in arrears where an amount equal to or greater than a full month's contractual payment is past its due date. Arrears includes fees and insurance premiums that are included in the arrears balance on which interest is charged. Months in Arrears is a simple multiplier of Arrears balance/normal instalment. If the Months in Arrears is less than one, zero is reported. Leeds BS recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and account management options to customers. Options include payment holidays, temporary conversion to interest only, term extension and arrears capitalisation. All account management/forbearance options are low in materiality.
Arrears - Capitalisation	Leeds BS recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and account management options to customers. Options include payment holidays, temporary conversion to interest only, term extension and arrears capitalisation.
Geographical Distribution	Mapped to Leeds BS internally derived geographic regions which may differ to the Nomenclature of Units for Territorial Statistics (NUTS) regions used in other reporting.
Indexed	Indexation is applied quarterly on a regional basis to property valuations each January, April, July, October.
Interest Payments	Refer to payments made during the specified reporting period
Loan to Value Ratios at Origination	LTV at origination excludes any fees added at the time of origination
Mortgage Account	A mortgage account consists of one or more underlying loans all secured with equal priority by a first charge on the same property and thereby forming a single mortgage account.
Mortgage Collections	The aggregate amount of scheduled and unscheduled principal, and interest collected during the reporting period.
Principal Payments	Refer to payments made during the specified reporting period
Principal and Revenue Receipts	The covered bonds issued are a liability of Leeds Building Society. The Principal and Revenue Receipts and Ledgers information shows the resources available to support the guarantee to bondholders in the event that Leeds Building Society is unable to meet its obligations to them.
Product Groups	Product groups are reported at an individual loan level (please refer to the definition of 'Mortgage Account' above).
Repayment Terms	Repayment terms are reported at an individual loan level (please refer to the definition of 'Mortgage Account' above).
Repurchases	Repurchases to date includes all loans repurchased from and including 30/06/2012
Standard Variable Rates	Leeds BS Standard Variable Mortgage Rate is 5.69%. The Standard Variable Mortgage Rate is not subject to a cap.
True Balance	Aggregated Outstanding Balances reported refer to the total outstanding balance ("True Balance") under each mortgage loan . True Balance is the aggregate of: (a) the original principal amount advanced any further amount advanced, (b) the amount of any re-draw made under any flexible loan, (c) any interest, fees or charges which has been capitalised and (d) any other amount (including accrued interest and arrears of interest) which is due or accrued (whether or not due) and which has not been paid and has not been capitalised.
