What is this type of insurance?

Leeds Building Society arranged Mortgage Payment Protection Insurance is designed to pay a monthly benefit towards your mortgage repayments if you are unable to work for more than 30 days because of an accident or sickness; unemployment; or you leave work to become a carer. If you go into hospital, the policy may pay hospitalisation benefit. You will only be insured for the cover sections that you have chosen.

What is insured?

**Benefits**

- The monthly benefit and cover you have chosen as shown on your current Schedule of Insurance

If you are unable to work for more than 30 days in a row:

- we will pay 1/30 of the monthly benefit for each further day you are unable to work, from the 31st day up to the 60th day; then
- the full monthly benefit, at monthly intervals, for each following month you are unable to work; then
- at the end of the period you are unable to work, we will pay 1/30 of the monthly benefit for each further day you are unable to work from the day after you were last paid benefit to the last day you are unable to work, up to a maximum of 12 months in total

**Hospitalisation**

- If you are in hospital for more than 5 days in a row, we will pay £20 for each further day you are hospitalised, from the 6th day up to 25 days in total

If you are self-employed, you must provide evidence that you ceased trading because you could not find enough work to meet all your reasonable business and living expenses and have declared this to HM Revenue and Customs.

If you receive or are entitled to receive payment in lieu of notice, your unemployment claim will start when you have registered as unemployed after the date your notice period ends.
