The reason for this is because the cheque may already be going through the Image Clearing System and so we are unable to stop it. • We reserve the right to refuse to pay a building society cheque where the cleared balance in your Account is insufficient and payment would cause the Account to become overdrawn.

10.4 We will debit your Account with the amount of:

12.1 We can also refuse to carry out a transaction on your Account where we have asked you to provide identification documents, or any other information, to prove your identity, or the authenticity of such information, to ensure we are meeting our legal and regulatory obligations.

13. Interest payments

Interest is calculated daily on cleared balances. Interest will be paid gross, without the deduction of income tax. Payment of gross interest does not imply that the interest you receive is exempt from tax. It is your responsibility to advise the appropriate tax authorities of any interest received. Interest payments are calculated, as follows:

Payment Type	Interest Paid
Electronic Payment	from the day of receipt of the payment into your Account
Cash Payment	from the day of receipt of the payment into your Account
Internal Transfer	from the day of receipt of the payment into your Account
Debit Card Payment	from the day of receipt of the payment into your Account
Cheques	interest is calculated from the next Working Day after the cheque is received at the Society's Head Office or branch. Cheques received after 3.30pm will be held over until the next Working Day before being processed and will therefore be treated as having been received on that day.

Interest will not be calculated and paid for the day on which money is withdrawn from your Account, including the day on which the Account is closed. Interest payments are ordinarily calculated several days in advance of the actual payment. If transactions occur after the preparation of the interest calculation they will not be taken into account until the next interest payment date. It may be necessary to adjust your capital balance to compensate for any overpayment or underpayment of interest if withdrawals or deposits have taken place in this period.

14. Our right to change interest rates

14.1 Rate increases

We may increase the interest rate (including any bonus rate) on your Account at any time. Rate increases will be applied to your Account immediately and will be publicised on our website and in our branches.

14.2 Rate reductions

Unless the Product Terms and Conditions of your Account state otherwise, we may reduce the interest rate (including any bonus rate) on your Account, for any one or more of the following reasons:

- a. to respond, in a proportionate manner, to changes in the Bank of England Base Rate or any other Reference Rate;
- b. to enable us to manage margins between interest rates charged to our borrowers and interest rates paid to our investors, or the providers of funds to us, in the interests of our customers as a whole;
- c. to respond, in a proportionate manner, to any increase in costs reasonably incurred by the Society in operating its personal savings business (including changes in the technology we use);
- d. to enable us to harmonise, in a reasonable manner, having regard to the interests of all of our investors, the interest rates being paid to investors following any acquisition or transfer of deposit or savings accounts or any takeover of, or merger with another savings provider or deposit taker;
- e. to respond, in a proportionate manner, to changes in legal or regulatory requirements, codes of practice with which we intend to comply, or the way we are regulated, or to a decision of a court or an Ombudsman; or

Where the balance of your Account is less than £100 we may not provide you with written notice where we intend to reduce your interest rate, but will publish this on our website and/or in our branch. You will have a minimum of 30 days from the date of written notification or publication on our website or in our branch to close your Account without notice, loss of interest and without incurring any Fees and/or Costs for withdrawal, which would otherwise be due if the change is made for any of the reasons listed at 14.2 (a) to (e) and 60 days where the change is made under condition 14.2 (f).

If we do this, we will give you at least one month's written notice to the last address known to us or by email if you have provided an email address unless you are required to give more than one month's notice to close your Account in which case we shall give you the required period of notice. - If we re-open your Account, we will pay back any money which was in the Account when we closed it, together with any interest which the money would have earned if the Account had stayed open. Section 2: Payment Services Conditions

The provisions of this Section 2 apply only to transactions made by way of Electronic Payments.

PS.1. Transactions/Electronic Payments from your Account

PS.1.1 Before an Electronic Payment is made from your Account this must be authorised by you.

For Online Accounts, this is done by:

- providing us with the sort code and account number for your Nominated Account and completing any other necessary requirements to initiate an Electronic Payment on the Account; or
- contacting our Customer Helpline and providing your Account details and any Security Details requested by us so that we may verify you, to complete an Electronic Payment on the Account.

For Other Accounts this is done by:

- providing the sort code and account number of the person you want to pay;
- providing the relevant Account Documents; and
- completing any necessary documentation as requested by us to complete an Electronic Payment on the Account.

PS.1.2 In the event that an Electronic Payment is not authorised in accordance with condition PS.1.1, you may authorise the payment after it has been made, by providing consent to us verbally, or in writing.

PS.1.3 Where appropriate and if the Product Terms and Conditions permit, the authorisation can include authorising any single payment, a series of recurring payments (including payments for an indefinite period such as a regular Standing Order) or pre-authorising a future payment of an uncertain amount, such as a Direct Debit.

- PS.1.4 Where we receive your instructions and authorisation before 3pm for Other Accounts or 8pm, for Online Account(s), we will treat your instructions to make the payment as having been received that day.
- PS.1.5 For any instructions and authorisation received after 3pm for Other Accounts or after 8pm for Online Accounts or received by us on a non-Working Day, your instructions and authorisation will be treated as having been received by us on the next Working Day. For example, where the Account is an Online Account and we receive your instructions and authorisation to make an Electronic Payment at 8.30pm on Tuesday, we will treat your instructions to make the payment as having been received on Wednesday for the purposes of determining when the money is transmitted (provided both Tuesday and Wednesday are Working Days).
- PS.1.6 Where you have instructed and authorised us to make an Electronic Payment out of your Account the money will be available to the payee within one Working Day after we received your instructions, unless the Electronic Payment is initiated by way of a paper-based authorisation process in which case the money will be available to the payee within two Working Days' after we received your instructions.

Withdrawing your authorisation/instructions

- PS.1.7 Once we have received your instructions, your authorisation may not be withdrawn (or revoked), except for future payments.
- PS.1.8 In respect of future payments (such as future Standing Order payments or Direct Debit instructions) your instructions/authorisation may be withdrawn upon notice to us and to the payee (where relevant), provided the notification of cancellation is received by us no later than 5pm on the Working Day, before the date set for execution. You can do this by writing to us, handing written instructions to us at a branch (although it may not be processed in the branch on the day) or by calling us on 03450 50 50 75.

Future dated payments/Standing Orders

- PS.1.9 If the Product Terms and Conditions permit and you wish to set up a Standing Order you will need to provide your instructions in writing or by visiting your local branch.
- PS.1.10 Where you are setting up a Standing Order to pay someone for the first time, your instructions and authorisation will not be treated as having been received until we have completed our process for setting up the payment.

PS.2. Payments into your Account by Electronic Payment

- PS.2.1 When money is paid into your Account by Electronic Payment and provided the payment is received by us prior to 3pm on a Working Day (for Other Accounts) or between 7am and 7pm (for Online Accounts) you will be able to withdraw the funds that day, subject to our normal opening hours, details of which are available from your local branch or on our website. Otherwise, you will be able to withdraw the funds on the next Working Day, subject to our normal opening hours.

PS.3. Blocking the Account

- PS.3.1 We can refuse to carry out any Electronic Payment on the Account for any of the reasons set out in condition 11 of the General Conditions. If an Account is blocked for any of the reasons listed in conditions 11.1 (a) to (g) of the General Conditions, it will not be possible to make deposits or withdrawals. If the account is blocked for any other reason then we may not allow you to make deposits or withdrawals.
- PS.3.2 Provided it would not be unlawful for us to tell you why we refused to authorise an Electronic Payment, we will notify you either verbally, or in writing, when we have done this at the earliest opportunity and in any event no later than the day by which the funds should have been available to the payee under condition PS.1.6. Following receipt of this notification you can visit your local branch or call us on our Customer Helpline for details of how to rectify any errors.

PS.4. Liability

- PS.4.1 Where an Electronic Payment is properly authorised by you in accordance with condition PS.1.1, we are responsible for its correct execution unless we can prove that the error was due to the fault of the payee's bank or building society.
- PS.4.2 Where we are liable for an incorrectly executed Electronic Payment out of your Account we will restore your Account to the position in which it would have been had the defective payment not taken place in accordance with condition PS.5. Where we are liable for the misallocation of funds into your Account we will restore your Account to the state it would have been in if the payment had been correctly allocated.
- PS.4.3 Where you wrongly identify the person and/or account (including account number and/or sort code) to which an Electronic Payment should be made, we will make reasonable efforts to recover the payment made, but we will not be liable for any losses which may be incurred by you.

PS.5. Refunds

PS.5.1 You may be entitled to claim a refund in relation to an Electronic Payment where:

- a. the payment was not authorised by you in accordance with condition PS.1.1 above; or
- b. we are responsible for the transaction which has been incorrectly executed and you have notified us in accordance with condition PS.5.3.

PS.5.2 Direct Debit refunds will be made in accordance with the UK Direct Debit Scheme Rules and the UK Direct Debit Guarantee.

PS.5.3 If you become aware of an Electronic Payment which has not been properly authorised or has been incorrectly executed on the Account you must notify us by calling us on 03450 50 50 75. This notification must be provided as soon as you become aware of the error and in any event within 13 months of the date of the Electronic Payment. If you do not notify us within these timescales you will not be entitled to a refund under this condition PS.5.

PS.5.4 If you are entitled to a refund we will reimburse you for any interest and charges you have incurred as a result of the incorrect execution. We will not be responsible for any losses which are not directly associated with the incorrect execution of the Electronic Payment, for example, any loss of profits.

PS.5.5 In the case of a disputed Electronic Payment the burden of proving fraud or negligence will lie with us.

PS.6. Transaction information

PS.6.1 We will provide, or otherwise make available, to you by post or by email (if you have provided an email address), details of an Electronic Payment you make.

If you require any of the following information regarding an Electronic Payment or any additional information about Electronic Payments, please call us on 03450 50 50 75 with:

- a. details of the payment into and out of the Account, including a reference enabling you to identify the transaction (and, where appropriate, information relating to the payee);
- b. the amount of the transaction;
- c. any Fees and Costs for the transaction; and
- d. the date of the payment into or out of the Account.

PS.7. Changes to the Payment Services Conditions

PS.7.1 Where we make a change to the Payment Services Conditions, we will give you at least two months' written notice to the last address known to us or by email if you have provided an email address.

PS.7.2 Where we give you notice of a change under condition PS.7.1, the change will automatically take effect and you will be taken to have accepted the change unless you notify us in writing or by email that you do not agree to the change as soon as possible and in any event before the end of the two month period. If you notify us that you do not accept a change, we will take this as notification that you wish to stop using the functionality to make Electronic Payments on your Account immediately. If you subsequently use the functionality to make Electronic Payments on your Accounts again, you will be deemed to have accepted the change.

PS.8. General

PS.8.1 Conditions 29, 30 and 31 of the General Conditions in Section 1 shall apply as appropriate.

Notes to Summary Financial Statement

Gross capital as a percentage of shares and borrowings

Gross capital provides a financial cushion against losses which might arise from the Group's activities and therefore provides protection for savers and investors. The gross capital ratio shows the size of our gross capital relative to our shares and borrowings. Gross capital is made up of our profits which have accumulated over many years in the general reserve, plus other reserves, subordinated liabilities and subscribed capital.

Liquid assets as a percentage of shares and borrowings

This ratio shows the proportion of our shares and borrowings which is held as cash or assets which are readily convertible to cash. Liquid assets are held to enable the Group to meet requests for withdrawals from savers and investors, to make new mortgage loans and to fund our business activities.

Profit for the year as a percentage of mean total assets

The profit to mean assets ratio shows our profit after tax relative to the average of our total assets during the year. We need to make sufficient profits each year to maintain our capital at a suitable level to protect our members and investors.

Management expenses as a percentage of mean total assets (cost to mean asset ratio)

The management expenses ratio measures our management expenses relative to the average of our total assets during the year. Management expenses consist mainly of the costs of employing staff and running the Group's branches and offices and IT systems. Expenses are controlled so that we operate as efficiently as possible while providing a high quality service to our members.
