The maximum aggregate amount of all Covered Bonds from time to time outstanding will not exceed €7 billion.
Final Terms	Each Series of Covered Bonds will be subject to Final Terms, which, for the purpose of that Series only, supplements the Terms and Conditions of the Covered Bonds in the Prospectus and must be read in conjunction with the Prospectus.
Regulated Covered Bonds	The Issuer has been admitted to the register of issuers under the Regulated Covered Bond Regulations 2008 (SI 2008/346) as amended by the Regulated Covered Bonds (Amendment) Regulations 2008 (SI 2008/1714), the Regulated Covered Bonds (Amendment) Regulation 2011 (SI 2011/2859) and the Regulated Covered Bonds (Amendment) Regulations 2012 (SI 2012/2977) (the RCB Regulations) and the Programme and the Covered Bonds to be issued under the Programme have been admitted to the register of regulated covered bonds.

G CREDIT STRUCTURE AND CASHFLOW

Please refer to the sections of the Prospectus entitled "Credit Structure" and "Cashflows" for further detail in respect of the credit structure and cash flow of the transaction.

Credit Support

There are a number of features of the Programme which enhance the likelihood of timely and, as applicable, ultimate payments to holders of the Covered Bonds, as follows:

- *Covered Bond Guarantee:* following the service of a Notice to Pay on the LLP, the LLP is required to pay Scheduled Interest and Scheduled Principal on the Covered Bonds of each Series when the same are Due for Payment;
- *Asset Coverage Test:* for so long as Covered Bonds remain outstanding and no Notice to Pay or LLP Acceleration Notice has been served on the LLP, the LLP and the Seller (in its capacity as Member) must ensure that on each Calculation Date, the Adjusted Aggregate Loan Amount will be in an amount equal to or in excess of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on that Calculation Date;
- *Amortisation Test:* following an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and the service of a Notice to Pay on the LLP (but prior to service on the LLP of an LLP Acceleration Notice and/or the commencement of winding-up proceedings against the LLP and/or realisation of the Security), the assets of the LLP available to meet its obligations under the Covered Bond Guarantee fall to a level where the Covered Bondholders may not be repaid, an LLP Event of Default will occur and all amounts owing under the Covered Bonds may be accelerated. Under the LLP Deed, the LLP and the Seller (in its capacity as Member) must ensure that, on each Calculation Date following an Issuer Event of Default and the service of a Notice to Pay on the LLP, the Amortisation Test Aggregate Loan Amount will be in an amount at least equal to the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date;
- *Reserve Fund:* a Reserve Fund will be established to trap Available Revenue Receipts up to the Reserve Fund Required Amount so long as the Issuer has ratings below P-1 by Moody's;
- *LBS Reserve Fund:* a LBS Reserve Fund will be established to trap Available Revenue Receipts up to the LBS Reserve Fund Required Amount so long as the Issuer has ratings below F1+ by Fitch);
- *Bank Account Agreement:* under the terms of the Bank Account Agreement, the Account Bank has agreed to pay a variable rate

of interest on all amounts held by the LLP in the GIC Account at a rate of 0/30 per cent. per annum below LIBOR for one-month Sterling deposits or such greater amount as the LLP and the Account Bank may agree from time to time;

- *Guaranteed Investment Contract:* under the terms of the Stand-by GIC Agreement, the Stand-by GIC Provider has agreed to pay a variable rate of interest on all amounts held by the LLP in the Stand-by GIC Account at a rate of 0.30 per cent. per annum below LIBOR for one-month Sterling deposits or such greater amount as the LLP and the Stand-by GIC Provider may agree from time to time;
- *Required Coupon Amount:* the pre-funding of the Required Coupon Amount on each LLP Payment Date following a Cash Manager Relevant Event and the delivery of irrevocable payment instructions in advance of such amounts becoming due for payment will enhance the likelihood of timely payments to the Covered Bondholders.

Payments by the Issuer

Until a Notice to Pay or LLP Acceleration Notice is served on the LLP, the Covered Bonds will be obligations of the Issuer only. The Issuer is liable to make payments when due on the Covered Bonds, whether or not it has received any corresponding payment from the LLP.

Available Funds of the LLP

The LLP will have Available Revenue Receipts and Available Principal Receipts available to it. Prior to service of an Asset Coverage Test Breach Notice, a Notice to Pay or an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP, Available Revenue Receipts will be applied by the LLP to make payments of interest due on the Term Advances and to pay Deferred Consideration to the Seller in respect of the Loans sold by the Seller to the LLP and Available Principal Receipts will be applied by the LLP to make payments of principal due on the Term Advances and Capital Distributions to the Members, but in each case only after payment of certain items ranking higher in the Pre-Acceleration Principal Priority of Payments.

Following the service of an Asset Coverage Test Breach Notice (which has not been revoked) but prior to service of a Notice to Pay or an LLP Acceleration Notice and/or the realisation of the Security and/or the commencement of winding-up proceedings against the LLP, Available Revenue Receipts and Available Principal Receipts will be applied by the LLP as set out in the Pre-Acceleration Priorities of Payment, except that:

- in respect of Available Revenue Receipts, no further amounts will be paid to the Issuer under the Intercompany Loan Agreement, towards any indemnity amount due to the Members pursuant to the LLP Deed or any indemnity amount due to the Asset Monitor pursuant to the Asset Monitor Agreement, towards any Deferred Consideration or towards any profit for the Members' respective interests in the LLP (but payments will, for the avoidance of doubt, continue to be made under the relevant

Swap Agreements); and

- in respect of Available Principal Receipts, no payments will be made other than into the GIC Account or, as applicable, the Stand-by GIC Account after exchange (if required) in accordance with the relevant Covered Bond Swap.

Following the service of a Notice to Pay on the LLP (but prior to an LLP Event of Default and service of an LLP Acceleration Notice on the LLP and/or realisation of the Security and/or the commencement of winding-up proceedings against the LLP) the LLP will apply Available Revenue Receipts and Available Principal Receipts to pay Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment subject to paying certain higher ranking obligations of the LLP in the Guarantee Priority of Payments. In such circumstances, the Members of the LLP, including the Seller, will only be entitled to receive any remaining income of the LLP after all amounts due under the Covered Bond Guarantee in respect of the Covered Bonds have been paid in full or have otherwise been provided for.

Available Revenue Receipts, as defined in the Prospectus, will, broadly, include the following:

- Revenue Receipts received during the previous Calculation Period and credited to the Revenue Ledger on the LLP Accounts (but, for the avoidance of doubt, excluding any Revenue Receipts received in the Calculation Period beginning in the month in which the relevant Calculation Date falls);
- other net income of the LLP including all amounts of interest received on the LLP Accounts, the Substitution Assets and Authorised Investments in the previous Calculation Period but excluding amounts received by the LLP under the Interest Rate Swap Agreement or a Covered Bond Swap Agreement (other than any premium received by the LLP not used to make a termination payment or any termination payment received by the LLP not used to pay any premium and any amounts credited to the Reserve Ledger in accordance with Clause 13.5 or Clause 17.7 of the LLP Deed);
- prior to the service of a Notice to Pay amounts standing to the credit of the Reserve Fund in excess of the Reserve Fund Required Amount and amounts standing to the credit of the LBS Reserve Fund in excess of the LBS Reserve Fund Required Amount;
- any other Revenue Receipts not referred to above received during the previous Calculation Period;
- amounts standing to the credit of the Coupon Payment Ledger in excess of the Required Coupon Amount for the next following LLP Payment Date; and
- following the service of a Notice to Pay amounts standing to

the credit of the Reserve Fund;

excluding (for the avoidance of doubt):

- Third Party Amounts, which shall be paid on receipt in cleared funds to the Seller;
- Swap Collateral Excluded Amounts;
- Tax Credits and any amount received by the LLP in respect of Tax Credits;
- sums previously provided for to meet future obligations under the Covered Bond Swap Agreements pursuant to (i) item (e) of the Pre-Acceleration Revenue Priority of Payments and/or (ii) item (e) of the Guarantee Priority of Payments;
- Swap Provider Tax Payments received from the Swap Providers;
- any amount standing to the credit of the Coupon Payment Ledger representing the Required Coupon Amount as at the next following LLP Payment Date; and
- any amount standing to the credit of the Interest Accumulation Ledger.

Available Principal Receipts, as defined in the Prospectus, will, broadly, include the following:

- the amount of Principal Receipts received during the immediately preceding Calculation Period and credited to the Principal Ledger on the LLP Accounts (but, for the avoidance of doubt, excluding any Principal Receipts received in the Calculation Period beginning in the month in which the relevant Calculation Date falls);
- any other amount standing to the credit of the Principal Ledger including (i) the proceeds of any Term Advance (where such proceeds have not been applied to acquire New Portfolios or invest in Substitution Assets), (ii) any Cash Capital Contributions received from a Member (other than any Cash Capital Contribution (a) to the extent representing any Required Coupon Amount or any Required Coupon Amount Shortfall or (b) to fund the Reserve Fund up to the Reserve Fund Required Amount and/or, as applicable, to fund the LBS Reserve Fund up to the LBS Reserve Fund Required Amount); and (iii) the proceeds from any sale of Selected Loans pursuant to the terms of the LLP Deed or the Mortgage Sale Agreement but excluding any amount of principal received under the Covered Bond Swap Agreements; and (iv) any amounts credited in accordance with Clause 14.7 or Clause 17.7 of the LLP Deed; and

- any Excess Proceeds,

excluding (*for the avoidance of doubt*)

- any Swap Collateral Excluded Amounts;
- Tax Credits and any amount received by the LLP from a Member in respect of Tax Credits;
- sums previously provided for to meet future obligations under the Covered Bond Swap Agreements pursuant to (i) item (c) of the Pre-Acceleration Principal Priority of Payments and/or (ii) item (f) of the Guarantee Priority of Payments; and
- Swap Provider Tax Payments received from Swap Providers.

Breach of the Asset Coverage Test

A breach of the Asset Coverage Test on a Calculation Date which is not remedied by the immediately succeeding Calculation Date will require the Bond Trustee to serve an Asset Coverage Test Breach Notice on the LLP and the LLP or the Issuer shall send notice of the same to the FCA pursuant to the RCB Regulations. The Asset Coverage Test Breach Notice will be revoked if, on any Calculation Date falling on or prior to the third Calculation Date following service of an Asset Coverage Test Breach Notice, the Asset Coverage Test is satisfied and neither a Notice to Pay nor an LLP Acceleration Notice has been served.

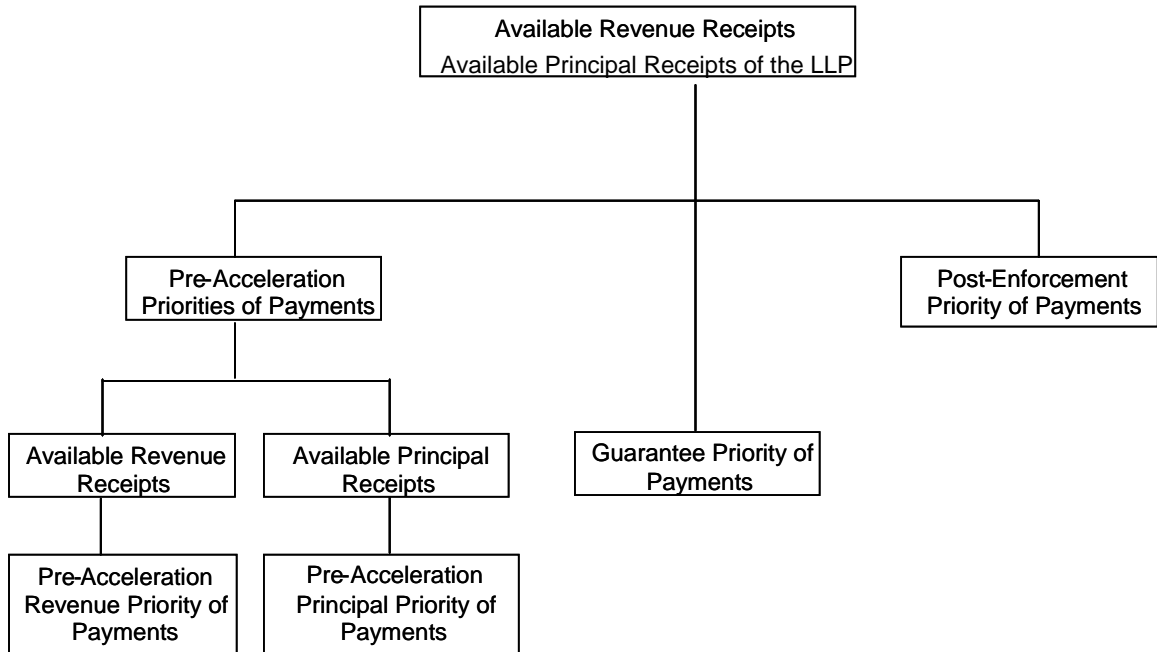

If an Asset Coverage Test Breach Notice has been served and not revoked on or before the third Calculation Date after service of such Asset Coverage Test Breach Notice, then an Issuer Event of Default shall occur and the Bond Trustee shall be entitled (and, in certain circumstances, may be required) to serve an Issuer Acceleration Notice on the Issuer. On the occurrence of an Issuer Event of Default, the Issuer shall give notice of the same to the FCA pursuant to the RCB Regulations. Following service of an Issuer Acceleration Notice, the Trustee must serve a Notice to Pay on the LLP.

For so long as an Asset Coverage Test Breach Notice is outstanding and has not been revoked, the LLP may not borrow any new Term Advances (and the Issuer may not make any new Term Advances) under the Intercompany Loan Agreement, the LLP may be required, if it does not take certain other action, to sell Selected Loans and prior to the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice or, if earlier, the occurrence of an LLP Event of Default and service of an LLP Acceleration Notice, the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments will be modified as more particularly described in the section of the Prospectus entitled "*Cashflows - Allocation and distribution of Available Revenue Receipts and Available Principal Receipts following service of an Asset Coverage Test Breach Notice*".

Following service of an Issuer Acceleration Notice on the Issuer and the LLP, the Bond Trustee must serve a Notice to Pay on the LLP.

Summary of key terms of the Swap Agreements

The LLP will enter into the Interest Rate Swap in connection with the Programme. The Interest Rate Swap will have the key commercial terms set out below:

Interest Rate Swap

- the LLP will pay a sterling amount calculated by reference to a notional amount equal to the aggregate principal balance of a portfolio of Loans and a blended rate as determined pursuant to the terms of the Interest Rate Swap Agreement;
- the Interest Rate Swap Provider will pay a sterling amount calculated by reference to the same notional amount and a floating rate which is determined by reference to one-month Sterling LIBOR; and
- payments by both the LLP and the Interest Rate Swap Provider will be made monthly on each LLP Payment Date.

See "*Summary of the Principal Documents – Interest Rate Swap Agreement*" in the Prospectus for further information.

Covered Bond Swaps

For any Series of Covered Bonds the LLP may enter into a Covered Bond Swap with the Covered Bond Swap Provider.

Under the Covered Bond Swaps which hedge foreign currency risk on the relevant Issue Date, the LLP will pay to the Covered Bond Swap Provider the amount received by the LLP under the applicable Term Advance (being an amount equal to the gross proceeds of issue of such Series or Tranche, as applicable, of Covered Bonds) and in return the Covered Bond Swap Provider will pay to the LLP the Sterling Equivalent of the applicable Term Advance. Thereafter, the Covered Bond Swap Provider will pay to the LLP on each Interest Payment Date an amount equal to the amounts that would be payable by the LLP under either the applicable Term Advance in accordance with the terms of the Intercompany Loan Agreement or the Covered Bond Guarantee in respect of interest and principal payable under the relevant Series or Tranche of Covered Bonds. In return, the LLP will periodically pay to the Covered Bond Swap Provider on the date specified in the relevant Covered Bond Swap Agreement an amount in Sterling calculated by reference to Sterling LIBOR for one month Sterling deposits for the relevant Interest Period plus a spread and the Sterling Equivalent of any principal due to be repaid in respect of the relevant Term Advance in accordance with the Intercompany Loan Agreement or Covered Bond Guarantee.

- either: (i) the occurrence of an Issuer Event of Default under Condition 9(a)(i) to (vi) and service on the Issuer of an Issuer Acceleration Notice and the service on the LLP of a Notice to Pay; or (ii) if the Bond Trustee has previously served on the Issuer an Issuer Acceleration Notice and served on the LLP a Notice to Pay in respect of an Issuer Event of Default under Condition 9(a)(vii), then the occurrence of any other Issuer Event of Default;
- a written direction is received by the Issuer from the FCA requiring the transfer of all of the engagements or the business of the Issuer to another entity in circumstances where the rights of borrowing members of the Society will cease (provided that, where approval of the transfer is required by either the relevant UK regulatory authority or by applicable law from the members of the Issuer, such approval is obtained);
- in respect of Selected Loans only, at the request of the LLP following the acceptance of any offer to sell the Selected Loans and their Related Security to any person who is not the Seller;
- the Seller and/or the LLP being required: (i) by law; (ii) by an order of a court of competent jurisdiction; (iii) by a regulatory authority which has jurisdiction over the Seller; or (iv) by any organisation of

- the Seller requesting a transfer by way of assignment or assignation (as appropriate) by giving notice in writing to the LLP and the Security Trustee.

Prior to the completion of the transfer of legal title to the Loans, the LLP will hold only the equitable title to those Mortgage Loans and will therefore be subject to certain risks as set out in the section of the Prospectus entitled "*Risk Factors – Risk Factors Relating to the LLP - The LLP does not have legal title to the Loans in the Portfolio on the relevant Transfer Date*".

Servicing of the Mortgage Portfolio

The Servicer will be appointed by the Seller and the LLP to service the Portfolio on a day-to-day basis. The appointment of the Servicer may be terminated by the LLP or the Security Trustee upon occurrence of the following events (each a **Servicer Termination Event**):

- the Servicer defaults in the payment of any amount due to the LLP under the Servicing Deed and fails to remedy that default for a period of three Business Days after the earlier of the Servicer becoming aware of the default and receipt by the Servicer of written notice from the Security Trustee or the LLP requiring the same to be remedied;
- the Servicer fails to comply with any of its other obligations under the Servicing Deed, which failure in the opinion of the Security Trustee is materially prejudicial to the Covered Bondholders, and the Servicer does not remedy that failure within the earlier of 20 Business Days after becoming aware of the failure and receipt by the Servicer of written notice from the LLP or the Security Trustee requiring the Servicer's non-compliance to be remedied;
- an Insolvency Event occurs in relation to the Servicer; or
- the LLP resolves that the appointment of the Servicer should be terminated.

Subject to the fulfilment of a number of conditions the Servicer may also resign upon giving not less than 12 months' written notice to the Security Trustee and the LLP, including that a substitute servicer qualified to act as such under the FSMA and with a management team with experience of managing mortgages in the United Kingdom has been appointed and enters into a servicing deed with the LLP substantially on the same terms as the Servicing Deed.

Delegation

The Servicer may sub-contract or delegate some of its servicing function to a third party provided that it meets conditions as set out in the Servicing Deed (as to which see "*Summary of the Principal Documents- Servicing Deed - Removal or resignation of the Servicer*" of the Prospectus).
